CLAMORING HAS CEASED

MOST AMERICANS IN EUROPE VERY WELL SATISFIED NOW THEY HAVE CASH.

Washington, Aug. 10.—Americans in Europe have stopped clamoring to return home, according to today's State Department reports. Ambassador Page at London cabled that while steamers sailing Saturday carried 5,000 Americans, since the treasure cruisers started and banks began advancing cash on demand, many of those who at first besieged the embassy with appeals for transportation have expressed willingness to remain indefinitely. Secretary Garrison estimated tonight that the number of Americans stranded in Europe who really desire to return home has dropped to \$30,000. He doubts whether it will be necessary to send any vessels across to bring these people to the United States as commercial lines appear to be able to take care of them all. One or two ships, he thinks, may have to be sent to some ports where Americans have congregated beyond the reach of neutral commercial vessels.

Encouraging reports tonight from Italy said Mediterranean steamers were preparing to resume traffic and Americans who desire transportation are assured of accommodations within the next few days. Advice from Germany said there had been a general improvement in the conditions of Americans in that country.

Secretary Bryan announced the State Department had been notified that the large permanent American colony in Berlin could care for those entirely without support. Representations have been made to the German foreign office, he said, in regard to special cases where Americans have been detained on suspicion. Another source of anxiety has been relieved by a deposit of gold in New York to cover letters of credit held by marooned tourists in Switzerland.

Wood's Seeds

Seed Potatoes FOR FALL CROP.

The planting of Seed Potatoes in June and July is increasing to a wonderful extent. A great many farmers claim that they give better crops planted at this time than they do when planted in the spring. Potatoes planted in June and July mature in the cool weather of the fall, at a time when they can be harvested to best advantage.

The Seed Potatoes we offer are put in cold storage early in the season, so as to keep in first-class, vigorous condition.

"Wood's Crop Special" giving prices and full information about Late Seed Potatoes and all other Seasonable Seeds, mailed free on request.

UP-TO-DATE AND NOVEL

ADVERTISING METHODS ADOPTED BY THE ENTERPRISING HOUSE OF WILLIAMS' DRUG STORE.

That Goldsboro is fast becoming metropolitan in the methods of advertising used by our merchants to call the buying public's attention to the many splendid values which they are offering, also that the wide-awake Williams' Drug Store are keeping up with and just a little ahead of the times in an advertising respect is again practically demonstrated by what is perhaps the most elaborate system of advertising ever attempted by any business house in this section, namely: the giving away of the beautiful Claxton Player Piano which is now on exhibition at their store.

This piano retails at \$600.00 each, guaranteed for ten years. The principal points of superiority of this celebrated Claxton piano over any other of this class of instruments lie in the three strings in unison with overstrung bass, the splendidly pitched scale and true sounding board which give the Claxton that rich, deep, even tone so much admired.

In a recent interview with Mr. Williams regarding this decided innovation in advertising, he stated: "We have been enjoying the patronage and confidence of the buyers of this community for some time now and by always trying to keep our stocks complete the saying that 'You can get it at Williams' has become a household expression. In giving away this piano we are actuated by a double purpose, to show our appreciation of the patronage of our friends during the past, also to encourage anew trade and to bring the many splendid values we are now showing in all lines to the attention of every buyer in this territory. The plan we are using in giving away this piano is equitable and fair to all, simply this, every person buying one dollar's worth of anything in our store will receive a coupon good for 100 votes. The person returning to us on February 1st, 1915, the largest number of votes will be given the piano absolutely free of all cost. No favors will be shown. Our reputation for 'square dealing' assures our customers of that fact."

This six hundred dollar Claxton Player Piano is surely a present worth having and we predict a very "merry race" for votes during the next few months.

Williams Drug Store are surely to be congratulated upon their broad-minded methods and "Trade Getter" advertising system.

The Argus will issue orders on the Williams Drug Store for votes on all subscriptions, advertising and job printing.

* Cut out this coupon, and present *
* it at Williams' Drug Store and *
